The January meeting was called to order by President Wayne Bumgardner.

The HRC Hunt Test Chairman, Chris Barnes, gave a progress report on the upcoming HRC test. Chairman Barnes reported that new grounds were located outside of Hearne for the test, due to the lack of water on the Porter Boswell Ranch, thanks to the help of Rody Best. Barnes also advised that the test was coming along smoothly, but that the test could still use some bird boys.

The AKC Hunt Test Chairman, Cary Beason, also gave a progress report on the upcoming AKC hunt test. Chairman Beason reported that all was going well on the AKC test, but there were two judges who were not approved yet due to them not have a judge's seminar yet. Both of the judges are planning to attend a seminar this month. The AKC premiums are to be mailed out the first week in February.

The Treasurer, Dalene Barnes, gave the treasurer's report advising that there was \$824.00 in the club account. The club had some large expenditures due to club insurance and ordering new ribbons. Treasurer Barnes also reported that the club's AKC insurance policy would cover the club on any club event, even if the event was not an

AKC event. Barnes advised that she would get that in writing from the insurance provider.

After the reports for the UKC hunt test, AKC hunt test, and the treasurer's report President Wayne Bumgardner called for new business.

Chris Barnes made a motion that a committee be set up to look at the club's constitution and by-laws and to update and revise them. The motion was discussed and then it was decided to send the motion to the Board of Directors to take action on it.

The upcoming HRC Judge's seminar was also discussed. Dalene Barnes advised that the location for the seminar and hotel reservation for the instructors had already been made. Chris Barnes stated that the seminar would be advertised at the upcoming hunt test. Lunch for the seminar was also discussed. It was determined that the best option would be just let the people attending the seminar provide their own lunch.

Chris Barnes made a motion to send some one to the National UKC conference, the motion was seconded by David Brannon. The motion was discussed as to why we should sent a reprehensive. The motion was tabled until the next meeting.

There being no further business the meeting was adjourned.

Respectfully submitted,

Cary Beason, Secretary
