Miller Creek Kennels

Members Present: Carroll & Joannie Miller, Dave Brannon, Chris & Dalene Barnes, Charles & Sherry Payne, Dale & Cindi Tolmsoff, Tony and Angela Lyles, Rusty and Kim Gerdes, Steve Harlin, Dave & Vicki Christianson, Nathanel & Randall Cook.

Vice President Dave Brannon called the meeting to order, after much delicious food was consumed. Thanks to Steve Cunningham for frying a turkey for us!

Dave talked about the Holiday Parade, and what a success our float was again this year. We had several members and dogs, putting forth their best foot/paw for the community to see.

We briefly discussed both the AKC and UKC Hunting Tests approaching in February. Both are progressing on scheduled, with Steve Cunningham chairing the UKC Test, Dalene Barnes secretary, Tony Lyles head marshall. Dave Brannon will chair the AKC, Cindi Tolmsoff is secretary, and Tony Lyles figured since he'd be on a marshaling role, he'd do that one too.

There being no further business, but a LOT of really cool looking presents under the tree, Charles Payne made his traditional motion to adjourn, Chris Barnes seconded it, and the business meeting adjourned. We proceeded to play our annual Christmas gift stealing game. This year, no money was to be spent on gifts, and an amazing assortment of unwanted items (dog bed, singing duck decoy, barb wire wreath, ceramic fish, DU mouse pad, new decoy bag) made the rounds many times over before all was said and done.

Respectfully submitted,

Dalene Barnes, Treasurer
For Rane Cunningham (absent)
