### **AKC Test, March 1 & 2**

Chairman Dave Brannon reported on details for the upcoming AKC test. Dale Tolmsoff will be the head marshal again, Steve Cunningham Game Steward, Charles Payne head of guns. Dave B. will do all the food and drinks; the judges gifts are almost ready (custom made judges' stands), details for motels, judges' dinner are still in the works.

### **Other Business**

Byron Kay has some land that he may be willing to lease to the club as training grounds. Dale Tolmsoff and Chris Barnes will go look at it and see if it would be suitable, and see how much Byron would want for a lease.

We are also waiting for Byron to give us the go-ahead to go do some work on his roads after all the mud and rain of the October test.

Pump shotguns may be needed at both tests, 870's preferred. Several club members volunteered to bring theirs. This may be an item the board may need to consider purchasing.

A training day before the HRC test was discussed; some members said they'd be at the training grounds on Saturday morning.

Dave Brannon will host an Upland training session at his house; call him if interested.

### **New Members**

The following presented applications for membership: Dick & Diana Beaufiles, Jim and Jo Shaw, Tony & Sheril Allen, Robert & Linda Brannon, Lora and Daryl Neans. All were voted in.

There being no further business, upon a motion by Chris Barnes and a second by Summer Reidberger, the meeting was adjourned.

Respectfully submitted,

Dalene Barnes  
Secretary/Treasurer
